

Leadership Ireland

Joseph P. Quinn – Consultant, Trainer & Coach

Joseph specialises in leadership and communication. He works at multi-levels within organisations in helping its people grow their skills and confidence in:

- Leadership
- Presenting
- Negotiating
- Communication
- Executive Presence
- Goal Setting
- Strengths Profiling
- Emotional Intelligence
- Challenging Conversations
- Growing Engaged Relationships

With past careers in the private and public sector, Joseph brings 30+ years of experience, passion and dedication to his clients' results.

Multi-Industry Experience and Clients

Joseph has gained significant experience within the Legal, Accounting, Banking, Healthcare, Insurance, Policing, Telecom, Recruitment and Executive Education industries.

Some of his clients include IAG, Deloitte, A&L Goodbody, HSE, PWC, Eversheds, McDonalds, IMI, QBE Insurance, UK and NZ Police Service.

Training Programmes

Joseph has created and delivered key trainings for emerging to senior managers, ranging from half-day to six month programmes, including:

- Manager to Leader
- Executive Presence
- Emotional Intelligence
- Engaging Relationships
- Proactive Leadership
- Negotiate for Results
- Present with Confidence
- Advanced Communication
- Values in Action
- Strengths Profiles
- Leading Performance
- Results through Conflict

Each practical and action orientated programme is enhanced by Joseph's abilities to engage, facilitate, support, challenge and enable participants to achieve results.

Coaching & Mentoring

Joseph has gained considerable experience providing professional coaching and mentoring for clients at all organisational levels from: 'C' level, senior leaders, directors, senior managers, managers, staff and graduates. His engaged, practical approach enables clients to see immediate results and to continue self-developing long after the coaching has ended.
